GRC Update

This week GRC were out planting trees in Clewer Park with Wild Windsor. This is our second year volunteering with them and we look forward to many more. We were also delighted to welcome back GRC alumni Skye as our Swan Elder this week to tell us about how she's doing at Kingston College.

HISTORY SNIPPET

For the History Snippet this week we will have a wee peek at Clewer Rectory that was situated in Parsonage Lane. Rectors of St Andrews have always been influential in the area and are often seen at The Swan. Click through to our dedicated Facebook Page [here](#) to find out more!

Whether you'll be throwing rice at the screen, or mustard and ketchup on your burger, there's fun to be had all week down at your favourite Community Pub - we look forward to seeing you!

Warm regards,

The Friends of The Swan
